

PROTECT YOUR CAR

LEAVE YOUR CAR...

LOCKED

A simple mistake that can prove calamitous:
44% of cars are broken into via an unlocked door.

LIT

80% of car crime occurs during the evening or at night.
Parking near streetlamps or in a busy area can deter thieves.

EMPTY

Owners often forget that personal belongings are at
as much risk of being stolen as the car itself.

MORE TOP TIPS TO KEEP YOUR CAR SAFE

Following 3 simple steps (leave your car locked, lit, and empty) will help to keep your car safe, but there are further steps you could take:

- To protect your catalytic converter purchase anti-theft products such as [Catloc](#) - a [Sold Secure](#) approved product
- Store car ownership information at home
- Secure number plates with anti-theft screws
- Keep your car keys out of sight in your home
- Look for Park Mark www.parkmark.co.uk indicating car parks meet recognised security levels
- Fit locking, anti-tamper wheel nuts to secure alloy wheels
- Avoid leaving anything in roof-racks, tailgate racks, holiday top boxes or tool chests. If necessary use cable locks, padlocks and self-locking tools chests to make them more secure.
