

FIGHTBACK AGAINST FRAUD

Friday 22 March 2018

10am – 12:30pm or 1pm – 3:30pm

Gateway Centre, Gatehouse Rd, Aylesbury, HP19 8FF

NEIGHBOURHOOD WATCH is putting on training workshops to help you defend yourself and your neighbours against scams and fraud. Come along to one of our free workshops to find out how you can support and protect vulnerable and isolated members of your community through our Communities That Care project.

The workshop will include;

- 'Friends Against Scams' session from the National Trading Standard Scams Team
- Digital Awareness Session from a NatWest Community Banker
- Talk from an inspirational volunteer currently working in the community
- Further information from the Neighbourhood Watch Network
- A resource pack to take away to support activities in your community

Who is this session aimed at?

- People that want to highlight the issue of scams and fraud in their community
- New volunteers
- Existing volunteers or staff of organisations that support elderly & vulnerable people e.g. befrienders and care workers
- Existing Neighbourhood Watch coordinators
